

HE FALLS IN DEATH.

MR. LEMUEL LYNCH DROPS IN THE STREET AND SOON EXPIRES.

SKETCH OF HIS ACTIVE LIFE.

Did Gallant Service as a Confederate Soldier—Long Service in the Fire Department—Death of Mr. William M. Warinner.

Mr. L. L. Lynch, one of Richmond's best-known citizens, and who for eighteen years was connected with the City Fire Department, suddenly expired yesterday in front of the store of Messrs. Long & Riddick, on Main street near Fourteenth. It is supposed that heart disease was the cause of his sudden death, though Coroner Taylor, who viewed the body before it was removed to the residence, was unable to ascertain just what caused the untimely end.

The deceased had been complaining for the past two days, but his family thought it was only some slight indisposition. He left his residence, No. 67 north Eleventh street, yesterday afternoon to go down-town, and when in front of Long & Riddick's store, as stated above, he fell to the pavement and instantly expired. The body was at once taken into the store. Father Donovan arrived a few minutes afterwards, but was too late to administer the sacrament.

SKETCH OF HIS LIFE.

The deceased was 53 years of age, and was born in Frederick county, Md. He served in the Confederate army during the four years of the war, enlisting with Snowden Andrews's Flying Artillery, and served out the latter portion of the war with Mosby's Guerrilla. Immediately after the war he came to this city, and for some time engaged in the grocery business on Franklin street. Later he became a member of the Fire Department, and remained in the service for eighteen years, being for many years lieutenant in Company No. 3, Broad-street Engine-House. Since he retired from the department he had not been actively engaged in business. The deceased was a member of Pickett Camp, and ex-member of the Richmond Hottentots. He also belonged to the Central Beneficial Society, and St. Vincent de Paul Society, of St. Peter's Cathedral. He owns considerable property, both in this city and Maryland.

FAMILY AND FUNERAL.

The deceased leaves a wife, two sons—Lemuel L. and Oliver A. Lynch—and a sister and brother—Margaret McDonald Lynch and Constantine Lynch. His father, Mrs. Andrew Lynch, and his mother, Mrs. Rose Allen Ludden. The funeral will take place Sunday morning at 9 o'clock from St. Peter's Cathedral, and the interment will be made in Mount Calvary Cemetery, Lee Camp, at their meeting last night, adopted resolutions tendering the sympathy of the body to the family of their deceased comrade.

Death of Mr. Wm. M. Warinner.

Mr. William Madison Warinner, a gentleman advanced in years, and estimated at about ninety years of age, died yesterday afternoon at 4:30 o'clock at his residence, No. 67 west Marshall street. His death was both sudden and unexpected. He was seized Thursday morning with an affection of the heart, but seemed to recover, and about nine hours after his demise, when he quickly grew worse. Mr. Warinner was a native of Buckingham county, and spent his entire life in Virginia. When quite young he removed to Powhatan, where he married and lived for a number of years, and then moved to Charles City county, where he lived until after the war. For some years he was a member of the Magistrate's Court of Charles City. Mr. Warinner became a citizen of Henrico after the war, and about nine years ago came to Richmond, where he had since resided. Mr. Warinner was twice married. His first wife was Miss Fannie Harris, of Powhatan; and his second wife, who was a widow, was Miss Louisa F. Funnell, daughter of Rev. John Funnell, and sister to Mr. John K. Funnell, Superintendent of Schools of Henrico. He leaves one daughter by his first marriage—Mrs. W. R. Grover, of Henrico—and by the second, three sons and a daughter—Mr. John Warinner, of the State of Washington; W. F. Warinner, with E. P. Reeve & Co. of this city; Dr. J. E. Warinner, of Henrico, and Mrs. Dunkum, of Norfolk.

Mr. Warinner was a Christian gentleman of the highest type, and was held in affectionate regard by a wide circle of friends. He had long been an active and zealous member of Grace-Street Baptist church, from which his funeral will take place to-morrow at an hour to be fixed to-day. The young men composing his Bible class will probably act as pallbearers.

FORTY HOURS' DEVOTION.

This solemn service at Sacred Heart Church—Other Services.

Forty hours' devotion will begin in Sacred Heart church to-morrow morning at 7 o'clock. The devotion will be held in the Holy Name Society will attend high communion in a body, and take part in the procession of the blessed sacrament around the church. This will be the third occasion on which this society has taken part in these services. It is the only society in Richmond which has ever taken so prominent a place in the church service. The society members will be two hundred and fifty members, and as all the members, or nearly all, will be present, the procession of the blessed sacrament will take place at an hour to be fixed to-day. The young men composing his Bible class will probably act as pallbearers.

The quarterly meeting of the Baptist Sunday-School Association of Richmond and Manchester will take place on to-morrow (Sunday) afternoon at 2:30 o'clock in the Emmanuel school. Interesting speakers will be present and address the meeting. The Methodist Sunday-School Society meets with Centenary church at the same hour.

A beautiful marble baptismal font, in memory of the late Mr. Samuel P. Lathrop, will be unveiled Sunday morning at the First Presbyterian church.

The meetings at Leigh-Street Baptist church are growing in interest. Rev. Mr. Harrison is preaching with great earnestness.

Blood Pure?

Is it? Then take Ayer's Sarsaparilla and keep it so. Isn't it? Then take Ayer's Sarsaparilla and make it so. One fact is positively established and that is that Ayer's Sarsaparilla will purify the blood more perfectly, more economically and more speedily than any other remedy in the market. There are fifty years of cures behind this statement; a record no other remedy can show. You waste time and money when you take anything to purify the blood except Ayer's Sarsaparilla.

Many Meetings Held Last Night and Splendid Addresses Made.

Church Hill was the centre of interest in local politics last night, a big Democratic rally being held by the Union Club at Powell's Hall, Mr. Marion L. Dawson and Mr. E. A. Catlin both made interesting addresses and argued the cause of democracy in a most forcible manner. Mr. Dawson undertook to reply to some of the arguments made by ex-President Harrison in his recent speech here. His speech, which consumed about an hour, was given the closest attention, and the points he made were heartily applauded.

Mr. Catlin, who has a business-like way of talking without attempting oratory, always gives his audience much to think as to carry weight and conviction with them in the minds of his audience, and his speech was a most convincing argument in favor of free silver.

Madison-Ward Democratic Club held a meeting last night, at which Mr. Joseph Wallerstein, the president, was in the chair. During the evening several addresses were delivered by Colonel John Bell Bigler, Messrs. P. S. George Barrard, George McD. Blake, and J. E. Doherty. The body will hold a business meeting at the headquarters of Powhatan Club to-night.

The Bryan and Sewall Club organized at Shumaker's last week met last night, when the membership of the organization was increased to 125. Messrs. S. W. Ward, W. T. Larr, Jr., and Thomas W. Gardner delivered addresses.

The Central Prohibition Club held a rally at 109 east Broad street last night, at which Rev. J. A. Cutler and Rev. Eugene Brooker both spoke feelingly on the temperance question. Chairman Bickers presided over the meeting.

It was announced that Joshua Levering, the prohibition candidate for President, will speak at the Fair-Grounds on next Tuesday. The day will be announced later. He will also speak at Corcoran Hall Tuesday night at 8 o'clock, and that a large crowd will hear the prohibition leader. Mr. Levering is one of the most distinguished Baptists of the United States.

A special meeting of the colored Bryan and Sewall Democratic Club, No. 1, was held last night, at which campaign work was considered. The meeting was a spirited one, every member being given a chance to express his views on the work they are doing for the standard-bearer of Democracy—Bryan, Sewall, and Lamb. Speeches were made by S. E. Akers, W. R. Johnson, and others.

The Council's special committee on the construction of a new city jail building met last evening, and mapped out some preliminary work. Chairman Gunst explained the work which had been done over by the committee, and there was a general interchange of views as to what the proposed new prison should be.

There was a regular meeting of the Committee on Accounts and Printing yesterday afternoon. A number of bills were presented, and the committee, acting conditionally, since July 1, 1896. Those present were Chairman Pollock and Messrs. Bickers, H. H. Hines, and others.

The Committee on Health was to have met last evening, but failed to get a quorum.

Portrait of Captain Babcock.

Miss Adele Williams exhibits at Franck's a portrait in oil of the late Captain A. G. Babcock, which is a commission from Dove Lodge of Masons. As a likeness it is very striking, and from the standpoint of art it is exceedingly strong in coloring, modelling, and the intonation of lights.

The Bicycle Parade.

It has been determined that two policemen—Messrs. Sales and Ames—shall be requested to lead the bicycle parade next week, and clear the line of march.

It is very probable that the Blues Band will also be secured for the occasion. Red lights will be distributed to the parade, and the parade will be held on Franklin street, to be burned while the parade is passing. The Parade Committee will meet next Tuesday at 8 o'clock to perfect all arrangements for the event.

Personals and Briefs.

Judge J. W. Kirby, of Suffolk, was in the city yesterday.

Mr. S. H. Dillard, of Greenway, Va., has accepted a lucrative position with the Southern railroad in this city.

Dr. W. E. Anderson, of Farmville, has been appointed captain and assistant surgeon of the Third Regiment of Infantry.

Mr. Joseph A. Wheat returned to the city last night, completely restored to health, after a long and dangerous illness.

Eliza Brown (colored) was sent to jail for six months by Squire Lewis yesterday morning for stealing \$7.50 in currency from Mr. C. P. Myers.

Mr. J. D. Paxton and wife will return home to-night. Mr. Paxton was married in Washington last week to Miss Davis, of west Marshall street.

Rev. A. C. Barton, assistant secretary of the Baptist Foreign Missionary Board, addressed the Baptist Woman's Missionary Society at the First Baptist church Thursday afternoon.

Mr. W. Waverly Taylor, of Washington, but formerly of this city, came down Thursday night to register for the approaching election, and returned to the capital city last night.

Mrs. J. O. McGeehe, of Highland Park, is spending a week at her farm, in Nottingham county, and in visiting relatives and friends in the adjoining counties of Dinwiddie and Brunswick.

The opening tea of the Woman's Club will be given at the club-rooms from 5 to 8 o'clock, at which time the literary program for the season of 1896-97 will be ready for distribution. The club-rooms have been freshly papered and otherwise improved, and present a very attractive appearance.

TO HAVE A CITY HALL.

PLANS PREPARED FOR SUCH A BUILDING IN MANCHESTER.

BUSY SESSION OF THE COUNCIL.

The Commonwealth's Attorney Asks an Increase in Salary—Republicans Have a Disorderly Meeting—Personal and Other Items.

The Manchester Council held its regular monthly meeting last night, and transacted a great deal of business. A report was submitted by the Mayor, stating that the conduct and condition of the police force have been good during the past month. The number of arrests was sixty-nine, and the sum of \$22.30 was collected in the Mayor's Court for fines. The report was received and filed. The reports of the committees on Streets and Finance were received and filed.

The Committee on Public Lands and Buildings submitted a report, recommending the adoption of the plan of a Richmond architect for the conversion of the old building at Hull and Tenth streets into a city hall with all modern conveniences. The specifications accompanying the plan were read by the Clerk, and contained details which have been published in the Dispatch.

When completed the front of the ground floor will be occupied by the fire company's apparatus. The centre of the ground floor will be taken up in a big staircase, the entrance to which will be on Tenth street. The rear end of that floor will be taken up by the Police Court, leaving room for two cells for the prisoners and a lavatory. On the next floor a majority of the city offices will be situated, while on the third floor will be the Council chamber, committee rooms, Mayor's office, City Engineer's office, and Chief of the Fire Department's office. In the cellar will be found storage rooms.

The building is to be in part fire-proof, and when finished will cost \$60,000.

On motion of Mr. Sims, this entire matter was referred to the Committee on Finance, who are to present a report at the next meeting of the Council which will be held two weeks from last night.

The report of the Committee on the Almshouse was read and approved.

Mr. Sims presented a letter from Mr. W. M. Allen, who asked to be re-elected Superintendent of the City Cemetery for a term of two years. Mr. Allen was unanimously elected.

INCREASE OF SALARY ASKED.

A communication was read from Captain A. C. Atkinson, Commonwealth's Attorney of the city, in which he asked for an increase of his salary, claiming that since the new law requiring all misdemeanor cases to be tried in the Police Court he had only received \$30 for his services. The writer also stated that he was compelled to pay \$75 office rent, and then had to take out a license. In conclusion, Captain Atkinson asked that his salary be fixed at \$40 per month, and that he also be allowed office rent. The matter was referred to the Finance Committee.

Mr. Green, of the Committee on Light, presented a petition from Mr. W. T. Adams and two or three other citizens, requesting that the electric light at the corner of Ninth and Everett streets be taken down. The petitioner stated that the light deprived him of his sleep. Mr. Campbell objected to the removal of the light, but suggested that a board might be erected between the light and Mr. Adams's house. After further discussion, the action of the Committee on Light was ratified by the Council.

A POOR REPUBLICAN MEETING.

The Republicans speaking at Leader Hall last night was slightly marred by disorder, and was by no means a success. The hall was only half filled, and three fourths of those present were negroes.

The speaker, Mr. J. B. Weisiger, called the meeting to order, and, after appealing to the audience for order, introduced the first speaker, Mr. Cephus Branard, of New York. Mr. Branard opened his remarks amid much disapproval and confusion. He was continually interrupted and cheered at inopportune moments. After the speaker had been laboring under such difficulties for about five minutes, he thrust his hand in his pocket and brought out several books. Here he was interrupted by a loud voice.

"What have you got?" The speaker retorted: "I have got ahead of you, and propose to stay ahead all the evening." This retort was loudly applauded by the negroes.

Mr. Branard finally succeeded in gaining the attention of his audience, and, though he was interrupted occasionally, he managed to speak for nearly an hour and a half. He spoke lightly of Bryan, denounced the Wilson act, and, though he advanced no argument, he was applauded whenever he mentioned the name of McKinley. During the latter part of Mr. Branard's speech a large number of persons left the hall, and he concluded one fourth of the audience had gone.

Otis H. Russell followed in a short speech.

BRYAN CLUB MEETING.

The Bryan and Sewall Campaign Club, of Manchester, held a meeting last evening at the Grays' Armory, and transacted a good deal of routine business, such as arrangements for speaking, receiving the reports of committees, etc.

It was announced that Colonel A. S. Buford and Messrs. Pulliam, Garnett, and Page would speak at Leader Hall on the 14th or 15th. It was also announced that Captain John Lamb would, with some Richmond men, address the Manchester voters on the 21st, in Leader Hall. After the transaction of routine business, the club adjourned, no speaking having been arranged for the evening.

The Democrats in the First Ward will meet at the corner of Sixth and Hull streets Tuesday night. This ward is being hotly contested.

A "Sound-Money Republican Club," as the president termed it, was formed in the First Ward last night. About forty persons were present, and out of these, at least two thirds were free silver men.

After much wrangling and discussion, the following officers were elected: John W. Caudie, president; S. B. Wyatt, vice-president; John Fultz, secretary; Samuel Hogg, treasurer, and John O'Tittimus, sergeant-at-arms. The meeting was conducted near the corner of Fourth and Hull streets.

CASES BEFORE THE MAYOR.

William Fortune was a prisoner in the Mayor's Court yesterday morning, charged with being drunk and disorderly in the furniture store of Mr. Williams, where he is employed. It seems that Fortune's mother asked Mr. Williams not to pay him her boy's salary when only returned drunk, which he did. The boy returned to the store a few hours later in an intoxicated condition, and insisted on his being having him arrested. According to his request Fortune was locked up.

At the meeting of the Episcopal League of the West-End Methodist church Thursday night the following officers were elected for the ensuing six months: Mr. W. B. Taylor, president; Mr. A. G. Belcher, first vice-president; Mr. H. P. Waddell, third vice-president; Mr. J. F. Maury, secretary; Mrs. W. B. Taylor, treasurer, and Miss Daisy Carvill, organist.

MR. WILLIAM HARRISON'S FUNERAL.

The funeral of Captain William Fleming Harrison took place yesterday morning from the residence of Mr. A. C. Harding, at 10:30 o'clock. Mr. Haddon S. Watkins sang two beautiful hymns—"Only a Heart" and "Some Time We'll Understand." The interment was made in Mount Calvary Cemetery. The ceremony was performed by Rev. J. A. Spencer, pastor of the Cowardin-Avenue Christian church.
